To whom it may concern,

This letter serves a confirmation of payments of licensing fees (HK \$7.19million totally) received by HKU from Huawei, about Prof. Heming Cui's RGC RAE 2026 impact case project "UTEE (Ubiquitous Trusted Execution Environments): A Secure and High-performance Bigdata Computing Infrastructure System on Public Clouds". Since 2020, Prof. Heming Cui worked with our HKU research service (RS) office and our HKU tech-transfer office (TTO) to transfer 15 patents totally from HKU to Huawei, in 6 years. Therefore, due to this UTEE project, HKU earned a total amount of HK \$7.19million licensing fee from Huawei, in three payments (1) RS No. 052223, HK \$2.55million; (2) RS No. 210159, HK \$2.4million; and (3) RS No. 180193, HK \$2.24million. HKU has signed an agreement with Huawei for each of the three payments, in order to receive these licensing fees.
